Necessity Is The Impetus For GuitarGuard™—A Protective Guitar ‘Skin’

*Session & Club Musician Introduces Guitar Skin Offering Protection and Image In One Product;
Made of sustainable materials GuitarGuard Is As Cool As It Looks!*

The NAMM Show (January 15–18, 2009)— Tired of dings, dents, scrapes and scratches on your ‘pride and joy’? Protect your investment with GuitarGuard™, a new patent pending protective ‘skin’ for your instrument, made of sustainable materials and developed by musicians, for musicians. GuitarGuard™ allows the beauty of your instrument to shine through by offering maximum protection with minimal surface coverage in only the places you really need it. GuitarGuard™ tightly fits the contours of your Axe and won’t interfere with your instrument’s look, sound or playability, always maintaining its value, image and integrity. GuitarGuard™ is great for players of all styles and skills, from recreational players to touring pros to celebrity axe masters.

“With skins available to protect everything from your phone to your laptop, it’s about time there was a product offering protection for your guitar,” says Larry Post, creator/founder of GuitarGuard™. “Whether you are a touring pro or a closet musician, GuitarGuard™ offers a unique approach, combining protection and image, hand-in-hand. Our mission was to protect the instrument without overwhelming the natural beauty of the instrument. These skins look so cool, you’ll wonder if they are painted on!”

“The GuitarGuard design team has developed a unique combination of finish protection and visual enhancement,” adds an Industry expert.

User-Friendly. GuitarGuard™ comes in two styles (“Gibskin” & “Stratjacket”) and three colors (Classic Black, Obama Blue, Raging Red), allowing players to change the look of their guitar instantly with our EZ on/EZ off approach. Guitar picks fit perfectly in the binding of each GuitarGuard™, giving you easy access to picks so you can lay down some ‘smoke on the water’ at a moment’s notice. GuitarGuard-outfitted instruments will fit easily into any soft- or hard-shell case.

Eco-Friendly. Made from sustainable ***eco-friendly materials***, GuitarGuard™ allows you to show-off your inimitable style with a clear-conscience.

Money-Back Guarantee. Everything we sell is covered by a 100% money-back satisfaction guarantee. If for any reason you are unsatisfied with your purchase, just return it within 14 days for a full refund. We even pay for shipping! Buy with confidence.

About GuitarGuard™

The GuitarGuard is a new product whose idea is rooted in necessity being the impetus of its invention. Long-time New York City musician Larry Post, along with a team of industrial designers, set out to bring guitar protection into the 21st century with the introduction of an innovative line of guitar skins, using only sustainable materials with inherently protective qualities.
